

READMISSION TO LSSC

Students who have not attended LSSC for three (3) or more consecutive semesters (including summer) must complete the following steps:

- Submit the online Readmission Application (<https://banner.lssc.edu/apexPROD/r/rtbdba/apply/login?session=7942767434123>)
- Submit updated official transcripts for all coursework completed since the last contact with LSSC (if applicable)
- Retake the placement test if scores are more than two (2) years old and no college-level English or Math course has been successfully completed (unless exempt from testing requirements)
- Submit appropriate paperwork to receive Florida residency for in-state tuition.

All readmitted students must meet the graduation requirements for the Governing Catalog in effect at the time of readmission. For support, please contact our Enrollment Service Center (<https://www.lssc.edu/dept/enrollment-service-center/>).
