

EME-EDUC: TECHNOLOGY & MEDIA

EME 2040 Technology for Educators (3 Credits)

This course provides a survey of instructional media for education majors. It includes information on and experience in integrating educational technology into teaching. It includes the use of multimedia in the classroom, the use of various instructional software in teaching and learning, the utilization of technology for various subject areas, and an overview of ethical, legal and social issues related to the use of technology. Basic computer competency skills should be acquired prior to taking this course.

Prerequisite: EDF 2005 and CGS 1100 or documented consent of instructor
