

# LEARNING CENTERS

---

## LSSC Learning Centers

The LSSC Learning Centers offer a supportive environment and comprehensive academic support for students at all stages of their college journey. Services include:

- Professional and peer tutoring across all academic disciplines
- Assistance with writing, language skills, and academic papers
- Access to biological science manipulatives
- Virtual tutoring and homework help
- Preparation for standardized exams
- Support for students with disabilities
- Meeting spaces for study groups and projects
- Orientation, training, and support for non-traditional students

Faculty may use Learning Center facilities for class visits, supplemental teaching, software use, individual assistance, and office hours.

## Our Goals

The Learning Centers are dedicated to:

- Partnering with faculty and staff to support student success
- Training skilled professional and peer tutors with multidisciplinary expertise
- Assisting with college training initiatives
- Supporting student activities by providing meeting spaces, computer access, and staff involvement
- Offering flexible service times and modes
- Fostering a welcoming, knowledge-sharing campus environment
