

STUDENT LEADERSHIP AND DEVELOPMENT

The Office of Student Leadership and Development is dedicated to enriching the student experience by providing a variety of opportunities for personal growth, leadership, and community involvement. Through a wide range of programs, organizations, and activities, we empower students to engage in campus life, develop social and leadership skills, and become responsible, informed citizens. Our services include campus recreation, on-campus and community events, and service projects that foster a sense of belonging and social responsibility. We also support students, faculty, and staff who engage with the Student Government Association and our clubs and organizations. These initiatives are designed to complement the institution's academic mission and core values, preparing students to thrive academically while actively contributing to their communities and developing as leaders.

For more information on our leadership and development opportunities, visit our Student Life page (<https://www.lssc.edu/future-students/student-life/>).
