

FINANCIAL OBLIGATIONS

Students are responsible for paying all charges related to their attendance at LSSC. Obligations including outstanding student tuition and fees, parking fines, and returned checks can be paid online through myLSSC and selecting CashNet Payment & eRefund Dashboard. Library fines must be paid at the Library. Students who have not satisfied all financial obligations to the College will not be permitted to register for future courses or apply for graduation.

Please refer to the Student Financial Assistance section of this catalog for information regarding repayment of Federal Financial Aid.

Unpaid accounts are subject to submission to an outside collection agency and will be reported to the credit bureau. In these cases, students will be responsible for additional collection charges up to 30% on all delinquent accounts referred to collections, as well as any related court costs.
