

ACADEMIC PROGRAM ADVISORY COMMITTEES

Lake-Sumter State College is dedicated to evolving its services and programs to meet the dynamic needs of our community. Our Academic Program Advisory Committees play a critical role in this mission by bridging the gap between education and industry.

Core Objectives

- **Expert Guidance:** Leveraging the professional expertise and networks of committee members to refine academic offerings.
- **Workforce Alignment:** Ensuring College programs directly address local employment demands and industry trends.
- **Community Advocacy:** Serving as College ambassadors by fostering community connections and sharing institutional updates.

Meeting Standards

Advisory boards meet at least **twice per year** to support the following programs:
